

### Safety Tips

- Traffic in South Africa moves on the left-hand side, therefore pedestrians must take extreme care when crossing streets.
- A valid driver's license from any U.S. state is valid to drive in South Africa for stays of less than six months.
- Travelers are advised to carry mobile phones.
- Treat all intersections with malfunctioning traffic lights as four-way-stops.
- Travelers should use caution at all times when driving, and especially avoid nighttime travel outside major cities.
- Make a copy of your passport and leave the copy in safekeeping, carry your original document with you.
- Carry the minimum amount of personal belongings when sightseeing.
